ARTICLE 1 RECOGNITION

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, CAPE was certified on December 10, 1969, by County's Employee Relations Commission (Employee Relations Commission File No. R-29-69) as the majority representative of County employees in the Professional Engineers Employee Representation Unit (hereinafter the "Unit") previously found to be appropriate by said Employee Relations Commission. Management hereby recognizes CAPE as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in the classifications identified in Article 8 of this Memorandum of Understanding.

The County agrees not to meet and confer with another employee organization with the intent of reaching an agreement to modify any understanding included in the negotiated agreement between CAPE and the County.

ARTICLE 2 EXCLUSIVITY

Management agrees to recognize CAPE as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and CAPE has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code required to implement the full provisions of Articles; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 TERM

The provisions of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as defined in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2015. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2018.

ARTICLE 5 RENEGOTIATION

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from May 15, 2018, through May 30, 2018, its written request to commence negotiations, as well as its full and entire written proposals for such successor Memorandum of Understanding.

Upon receipt of such written notice and proposals, negotiations shall begin no later than June 15, 2018. An impasse concerning the matters under negotiation shall be declared automatically if full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by July 31, 2018, unless the parties mutually agree to continue negotiations.

ARTICLE 6 DISCRIMINATION

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, age, national origin, political or religious opinions or affiliations, or handicapped status.

ARTICLE 7 SPECIAL PAY PRACTICESSection 1. Call Back

Whenever an employee is unexpectedly ordered by his/her Department head or designated Management representative to return to work following the termination of his/her normal work shift or normal workweek and departure from his/her work location, the employee shall receive a minimum payment of four hours' pay at the rate of time and one-half. Work performed in excess of four hours will be compensated for in accordance with provisions of Article 10, Overtime.

If an employee shall complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 2. Extra Trip Mileage

A mileage permittee may be paid "extra trip mileage," as defined in Section 5.40.230 of the Los Angeles County Code, provided he/she is required to make field calls in the performance of "extra trip mileage" duties.

In "extra trip" instances, mileage will be allowed from home to all points of contact and return home.

No reimbursement is allowable to any employee, regardless of circumstances, between home and headquarters and return home.

Section 3. Hazard Pay

Management agrees to pay to \$.50 per hour for those classes in this Unit presently receiving hazard pay.

Such hazard pay shall be limited to those CAPE classes currently receiving hazard pay under the terms and conditions of the Los Angeles County Code.

Section 4. Supervisor-Subordinate Pay

The Chief Executive Officer shall authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his/her highest paid subordinate when the qualifying conditions are met as provided in Section 6.10.070 of the Los Angeles County Code.

Section 5. Shift Differential

Any employee in the Unit who is assigned to a regularly scheduled evening or night shift as defined in Section 6.10.020 of the Los Angeles County Code shall receive a per hour bonus of sixty cents (\$.60) for each hour worked during said shifts.

Section 6. Standby Pay

All employees in the Unit who are assigned regularly scheduled periods of authorized standby service during off-duty hours shall be paid additional compensation at the rate of fifty cents (\$.50) per hour for each hour of such standby service not to exceed one hundred dollars (\$100.00) a month. Employees residing at their work site are excluded from this provision.

No additional compensation for standby status shall be made since the employee placed on standby status is not "unreasonably restricted" as defined by the Fair Labor Standards Act.

Section 7. California State License Reimbursement

Effective January 1, 2001, a permanent full-time employee in the Department of Public Works who is employed in a non-registered engineer classification (civil, structural, electrical, or mechanical) represented by Bargaining Unit 501 and who obtains or renews a California State License as a Registered Engineer (civil, structural, electrical, or mechanical) that is not a requirement of the class in which he/she is employed, and who is required by management to use the knowledge and skills acquired from such license in his/her assignment, is eligible for reimbursement for the specific fees paid to either obtain or renew such California State License.

In order to receive reimbursement, an employee must submit to departmental management the California State License and a receipt of the fees paid within 30 days of initial registration or renewal.

Re-opener will be in January 2011 to discuss this section.

Section 8. Certified Access Specialist

Effective January 1, 2016, any permanent full-time Building Engineering Inspector, Senior Building Engineering Inspector, District Building and Safety Engineering Associate, Supervising Building and Safety Engineering Specialist, Associate Civil Engineer, Civil Engineer, Senior Civil Engineer, Head Building Inspector, Building Inspector I, Building Inspector II, Building Inspector III, and Building Inspector IV who holds a State of California Certified Access Specialist certification and who is assigned by management to duties requiring the knowledge and skills acquired from such certification in his/her assignment, is eligible for a monthly bonus of \$250.00.

Section 9. Assignment of Additional Responsibilities

Upon the employee's written request, any permanent, full-time employee shall be entitled to additional compensation for the performance of additional responsibilities which are assigned and approved by the Department Head or designated management representative and the Chief Executive Office.

The Department shall notify an employee in writing of the approval or denial of his/her

written request within 45 business days of receipt of the request for the additional responsibilities bonus.

If the employee is placed in an assignment requiring the performance of additional responsibilities prior to the Department obtaining CEO approval, upon his/her request he/she shall be returned to an assignment in his/her own classification until notified of the CEO's approval in writing.

To qualify for this additional compensation a full-time permanent employee must either:

1. Be assigned to a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically allocated to the employee's class.

The assignment of additional duties normally performed by incumbents of the employee's class would not qualify for this additional compensation. The bonus for being assigned a special project or assignment shall be two standard salary schedules; or

2. Perform all the significant duties of a higher level class for which there is no vacant funded position. The bonus shall be two standard salary schedules, unless the difference between the employee's class and the higher level class is less than two standard salary schedules. In this case, the bonus shall be the difference between the two classes.

The bonus provision of paragraph 2 above does not apply to employees on short term

higher level assignments of two weeks or less.

The additional compensation shall begin on the first day the additional responsibilities are assigned by management and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus.

In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 23, Out-of-Class Assignments for the same assignment.

The additional compensation provided in this Section shall not constitute a base rate.

ARTICLE 8 SALARIES

Section 2. Step Advances

- a. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.

- b. If no performance review is filed as defined in a. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

Where no Performance Evaluation is issued in accordance with Paragraph a. above, the employee may request his/her department in writing to issue a Performance Evaluation. The department head shall issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his/her step advance anniversary date.

c. Grievances arising out of this section shall be processed as follows:

- (1) Where no Performance Evaluation has been issued in accordance with Paragraph b. above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his/her step anniversary date.
- (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his/her step advance anniversary date.

- (3) Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the department head or his/her designated representative who shall respond to the grievance within ten days. Appeals from a department head decision shall be processed in accordance with Civil Service Rules.

- d. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section. In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluation.

Section 3.

The parties having jointly reviewed and considered all available salary and wage information and

data, agree that the recommended salaries set forth herein were negotiated in good faith and that said salaries were determined independently of race, gender, age or national origin.

ARTICLE 9 EMPLOYEE PAYCHECK ERRORSA. Underpayments

1. If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's paycheck, a paycheck correction may be requested. Such request must be made to the appointing authority within two business days after receipt of the warrant. Otherwise, the correction shall be made in the next regularly issued warrant.
2. Departmental Payroll Sections shall process such requested corrections to the Auditor-Controller within five (5) working days.
3. The Auditor-Controller will issue a corrected or supplemental warrant within three working days after receiving the request from the appointing authority.
4. Changes in salary resulting from step advances or changes in status are excluded from amounts which constitute paycheck errors for purposes of this Article.

B. Overpayments

1. Employees will be notified prior to the recovery of overpayments.
2. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller.

Such recovery shall not exceed 15% per month of disposable income (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

ARTICLE 10 OVERTIMESection 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

A. Non-Exempt Employees

The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. §201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

- B. An employee, except for employees in the Department of Health Services, may elect to accrue up to 30 hours of FLSA overtime worked to be used as compensatory time off in lieu of pay, at the rate of one and one-half (1 ½) hours for each hour of overtime worked.

An employee who wants to use his/her accumulated compensatory time must submit a written request ten working days in advance of the dates for which time off is desired. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management.

Management may direct an employee to use/his/her accumulated compensatory time provided the employee is given thirty calendar days' notice.

Employees may not accrue overtime hours which are worked during a Board of Supervisors, State, or Federally declared emergency and/or disaster periods, unless management approves the accrual of such overtime hours.

Section 2. Usage of Previously Earned Compensatory Time - Non-Exempt Employees

- A. Non-exempt employees, as defined by the Fair Labor Standards Act, who retain compensatory time off on the books earned prior to April 15, 1985 shall use such time until exhausted except that the employee shall not be directed by management to take compensatory time off without at least ten (10) business days prior notice or be denied a timely request to take such time off.

- B. Any compensatory time accumulated by employees prior to April 15, 1985 shall remain to the employees' credit until 12 months after the effective date of this Article or until it is taken off either at the employee's request or at the direction of

management as provided in Paragraph "A" of this section, whichever is earlier.

Time subject to be lost after the twelfth month following the effective date of this article will be paid to the employee at the straight time rate rather than lost.

Section 3. Work Week

For the purpose of computing overtime the work week for employees in this Unit is 40 hours of work in a seven consecutive day period as defined by management. For purposes of this article work week is distinguished from work schedules.

Section 4. Saving Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 5. Management Authority

It is agreed and understood that nothing herein is intended to limit or restrict the authority of Management to require any employee to perform overtime work, and it is further agreed that overtime will be ordered and worked only when required to meet the County's public service obligations.

Section 6.Notwithstanding any other provisions of this Memorandum of Understanding:

A. Between October 1, 1993, and June 30, 1994, only, all overtime shall be compensated with compensatory time off (CTO) as provided for in subparagraphs (1) - (4) below.

- (1) To the extent such time would have qualified for time and one-half pay under other provisions of this MOU (including time and one-half pay at the employee's option), such time shall be compensated with time and one-half CTO, subject only to the maximum accumulation of 240 hours or 480 hours for employees working an emergency response activity or a seasonal activity as defined by Fair Labor Standards Act regulations.
- (2) To the extent such time would have qualified for straight time pay under other provisions of this MOU, such time shall be compensated with straight time CTO.
- (3) Such CTO either (a) may be taken off at the request of an employee subject to Management approval or (b) shall be maintained "on the books".
- (4) Nothing in this paragraph is intended to alter the definition of "overtime" as set forth elsewhere in this MOU or the circumstances under which overtime compensation must be paid.

- B. All overtime worked on or after July 1, 1994 shall be subject to the overtime provisions in effect on September 30, 1993.
- C. On or after August 1, 1995, at the employee's option, time "on the books" may continue to be taken as time off, subject to Management approval, or may be converted to pay. An employee electing payment for any portion of his or her CTO accrual balance may submit a request and, within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.
- D. CTO accrued between October 1, 1993 and June 30, 1994 shall be taken off only at the request of the employee. For any CTO accrued during other periods, nothing in this Section shall be construed to limit Management's authority to direct any employee to take accumulated CTO as provided elsewhere in this MOU.
- E. From July 1, 1994 through June 30, 1995, the Board of Supervisors may pay for CTO accrued between October 1, 1993 and June 30, 1994 at the rate of pay then in effect for the employee.

Section 7.

- 1. Notwithstanding any other provision of the MOU for overtime worked by an employee during the fire emergencies declared by the Board of Supervisors in October and November 1993, and the Northridge Earthquake Emergency declared by the Board of Supervisors in January 1994 (the "Emergencies"), an employee subject to the MOU, shall receive overtime compensation as follows

for overtime worked determined by the employee's department head to be due to an Emergency.

- A. To the extent that such time would have qualified for time and one-half compensatory time off (CTO) under the provisions of the MOU, such overtime shall be paid at the rate of time and one-half, unless the employee opts to receive time and one-half CTO.
- B. To the extent that such time would have qualified for straight time CTO under the provisions of the MOU, such overtime shall be paid at the straight time rate of pay, unless the employee opts to receive straight time CTO.
- C. In the event an employee opts to receive CTO, at the employee's option, such CTO time may be used or converted to pay in accordance with the provisions of Section 9A.(3) and 9C. of this Article.
- D. Nothing in this Section is intended to alter the definition of "overtime" as set forth elsewhere in the MOU, or the circumstances under which overtime compensation must be paid.
- E. At the time the employee is asked to work the overtime, the employee shall be told by Management whether the overtime to be worked is related to an Emergency.

2. For purposes of this Section, the October and November 1993 fire emergencies began on October 26, 1993 and continued through November 30, 1993, and the Northridge earthquake emergency began on January 17, 1994, and will end June 30, 1994.
3. It is the specific agreement of the parties that each and every other provision of this Memorandum of Understanding shall remain in full force and effect.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. On the face of the sealed envelope it shall read, "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than two years prior removed from his/her personnel file except as such may be a part of an official permanent record.

Upon adoption of this Memorandum of Understanding by the Board of Supervisors, an employee in reviewing his/her personnel file may request and have any written reprimands issued more than two years prior removed from his/her personnel file, except as such may be a part of an official permanent record.

ARTICLE 1 RECOGNITION

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, CAPE was certified on December 10, 1969, by County's Employee Relations Commission (Employee Relations Commission File No. R-29-69) as the majority representative of County employees in the Professional Engineers Employee Representation Unit (hereinafter the "Unit") previously found to be appropriate by said Employee Relations Commission. Management hereby recognizes CAPE as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in the classifications identified in Article 8 of this Memorandum of Understanding.

The County agrees not to meet and confer with another employee organization with the intent of reaching an agreement to modify any understanding included in the negotiated agreement between CAPE and the County.

ARTICLE 2 EXCLUSIVITY

Management agrees to recognize CAPE as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and CAPE has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code required to implement the full provisions of Articles; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 TERM

The provisions of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as defined in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2015. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2018.

ARTICLE 5 RENEGOTIATION

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from May 15, 2018 through May 31, 2018, its written request to commence negotiations, as well as its full and entire written proposals for such successor Memorandum of Understanding.

Upon receipt of such written notice and proposals, negotiations shall begin no later than June 15, 2018. An impasse concerning the matters under negotiation shall be declared automatically if full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by July 31, 2018, unless the parties mutually agree to continue negotiations.

ARTICLE 6 DISCRIMINATION

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, age, national origin, political or religious opinions or affiliations, or handicapped status.

ARTICLE 7 SPECIAL PAY PRACTICESSection 1. Call Back

Whenever an employee is unexpectedly ordered by his/her Department head or designated Management representative to return to work following the termination of his/her normal work shift or normal workweek and departure from his/her work location, the employee shall receive a minimum payment of four hours' pay at the rate of time and one-half. Work performed in excess of four hours will be compensated for in accordance with provisions of Article 10, Overtime.

If an employee shall complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 2. Extra Trip Mileage

A mileage permittee may be paid "extra trip mileage," as defined in Section 5.40.230 of the Los Angeles County Code, provided he/she is required to make field calls in the performance of "extra trip mileage" duties.

In "extra trip" instances, mileage will be allowed from home to all points of contact and return home.

No reimbursement is allowable to any employee, regardless of circumstances, between home and headquarters and return home.

Section 3. Hazard Pay

Management agrees to pay to \$.50 per hour for those classes in this Unit presently receiving hazard pay.

Such hazard pay shall be limited to those CAPE classes currently receiving hazard pay under the terms and conditions of the Los Angeles County Code.

Section 4. Supervisor-Subordinate Pay

The Chief Executive Officer shall authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his/her highest paid subordinate when the qualifying conditions are met as provided in Section 6.10.070 of the Los Angeles County Code.

Section 5. Shift Differential

Any employee in the Unit who is assigned to a regularly scheduled evening or night shift as defined in Section 6.10.020 of the Los Angeles County Code shall receive a per hour bonus of sixty cents (\$.60) for each hour worked during said shifts.

Section 6. Standby Pay

All employees in the Unit who are assigned regularly scheduled periods of authorized standby service during off-duty hours shall be paid additional compensation at the rate of fifty cents (\$.50) per hour for each hour of such standby service not to exceed one hundred dollars (\$100.00) a month. Employees residing at their work site are excluded from this provision.

No additional compensation for standby status shall be made since the employee placed on standby status is not "unreasonably restricted" as defined by the Fair Labor Standards Act.

Section 7. California State License Reimbursement

Effective January 1, 2001, a permanent full-time employee in the Department of Public Works who is employed in a non-registered engineer classification (civil, structural, electrical, or mechanical) represented by Bargaining Unit 501 and who obtains or renews a California State License as a Registered Engineer (civil, structural, electrical, or mechanical) that is not a requirement of the class in which he/she is employed, and who is required by management to use the knowledge and skills acquired from such license

in his/her assignment, is eligible for reimbursement for the specific fees paid to either obtain or renew such California State License.

In order to receive reimbursement, an employee must submit to departmental management the California State License and a receipt of the fees paid within 30 days of initial registration or renewal.

Reopener January, 2011 to discuss this section.

Section 8. Certified Access Specialist

Effective January 1, 2016, any permanent full-time Building Engineering Inspector, Senior Building Engineering Inspector, District Building and Safety Engineering Associate, Supervising Building and Safety Engineering Specialist, Associate Civil Engineer, Civil Engineer, Senior Civil Engineer, Head Building Inspector, Building Inspector I, Building Inspector II, Building Inspector III, and Building Inspector IV who holds a State of California Certified Access Specialist certification and who is assigned by management to duties requiring the knowledge and skills acquired from such certification in his/her assignment, is eligible for a monthly bonus of \$250.00.

Section 9. Assignment of Additional Responsibilities

Upon the employee's written request, any permanent, full-time employee shall be entitled to additional compensation for the performance of additional responsibilities which are assigned and approved by the Department Head or designated management

representative and the Chief Executive Office.

The Department shall notify an employee in writing of the approval or denial of his/her written request within 45 business days of receipt of the request for the additional responsibilities bonus.

If the employee is placed in an assignment requiring the performance of additional responsibilities prior to the Department obtaining CEO approval, upon his/her request he/she shall be returned to an assignment in his/her own classification until notified of the CEO's approval in writing.

To qualify for this additional compensation a full-time permanent employee must either:

1. Be assigned to a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically allocated to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class would not qualify for this additional compensation. The bonus for being assigned a special project or assignment shall be two standard salary schedules; or
2. Perform all the significant duties of a higher level class for which there is no vacant funded position. The bonus shall be two standard salary schedules, unless the difference between the employee's class and the higher level class is

less than two standard salary schedules. In this case, the bonus shall be the difference between the two classes.

The bonus provision of paragraph 2 above does not apply to employees on short term higher level assignments of two weeks or less.

The additional compensation shall begin on the first day the additional responsibilities are assigned by management and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus. In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 23, Out-of-Class Assignments for the same assignment.

The additional compensation provided in this Section shall not constitute a base rate.

ARTICLE 8 SALARIES

Section 2. Step Advances

- a. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.

- b. If no performance review is filed as defined in a. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

Where no Performance Evaluation is issued in accordance with Paragraph a. above, the employee may request his/her department in writing to issue a Performance Evaluation. The department head shall issue a Performance Evaluation within five days of the employee's

request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his/her step advance anniversary date.

- c. Grievances arising out of this section shall be processed as follows:
- (1) Where no Performance Evaluation has been issued in accordance with Paragraph b. above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his/her step anniversary date.
 - (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his/her step advance anniversary date.
 - (3) Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the department head or his/her designated representative who shall

respond to the grievance within ten days. Appeals from a department head decision shall be processed in accordance with Civil Service Rules.

- d. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section. In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluation.

Section 3.

The parties having jointly reviewed and considered all available salary and wage information and data, agree that the recommended salaries set forth herein were negotiated in good faith and that said salaries were determined independently of race, gender, age or national origin.

ARTICLE 9 EMPLOYEE PAYCHECK ERRORSA. Underpayments

1. If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's paycheck, a paycheck correction may be requested. Such request must be made to the appointing authority within two business days after receipt of the warrant. Otherwise, the correction shall be made in the next regularly issued warrant.
2. Departmental Payroll Sections shall process such requested corrections to the Auditor-Controller within five (5) working days.
3. The Auditor-Controller will issue a corrected or supplemental warrant within three working days after receiving the request from the appointing authority.
4. Changes in salary resulting from step advances or changes in status are excluded from amounts which constitute paycheck errors for purposes of this Article.

B. Overpayments

1. Employees will be notified prior to the recovery of overpayments.

2. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller.

Such recovery shall not exceed 15% per month of disposable income (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

ARTICLE 10 OVERTIMESection 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

A. Non-Exempt Employees

The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. §201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

- B. An employee, except for employees in the Department of Health Services, may elect to accrue up to 30 hours of FLSA overtime worked to be used as compensatory time off in lieu of pay, at the rate of one and one-half (1 ½) hours for each hour of overtime worked.

An employee who wants to use his/her accumulated compensatory time must submit a written request ten working days in advance of the dates for which time off is desired. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management.

Management may direct an employee to use his/her accumulated compensatory time provided the employee is given thirty calendar days notice.

Employees may not accrue overtime hours which are worked during a Board of Supervisors, State, or Federally declared emergency and/or disaster periods, unless management approves the accrual of such overtime hours.

Section 2. Usage of Previously Earned Compensatory Time - Non-Exempt Employees

- A. Non-exempt employees, as defined by the Fair Labor Standards Act, who retain compensatory time off on the books earned prior to April 15, 1985 shall use such time until exhausted except that the employee shall not be directed by management to take compensatory time off without at least ten (10) business days prior notice or be denied a timely request to take such time off.

- B.  - B. To the extent that such time would have qualified for straight time CTO under the provisions of the MOU, such overtime shall be paid at the straight time rate of pay, unless the employee opts to receive straight time CTO.

ARTICLE 1 RECOGNITION

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, CAPE was certified on December 10, 1969, by County's Employee Relations Commission (Employee Relations Commission File No. R-29-69) as the majority representative of County employees in the Professional Engineers Employee Representation Unit (hereinafter the "Unit") previously found to be appropriate by said Employee Relations Commission. Management hereby recognizes CAPE as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in the classifications identified in Article 8 of this Memorandum of Understanding.

The County agrees not to meet and confer with another employee organization with the intent of reaching an agreement to modify any understanding included in the negotiated agreement between CAPE and the County.

ARTICLE 2 EXCLUSIVITY

Management agrees to recognize CAPE as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and CAPE has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code required to implement the full provisions of Articles; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 TERM

The provisions of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as defined in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2015. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2018.

ARTICLE 5 RENEGOTIATION

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from May 15, 2018 through May 30, 2018, its written request to commence negotiations, as well as its full and entire written proposals for such successor Memorandum of Understanding.

Upon receipt of such written notice and proposals, negotiations shall begin no later than June 15, 2018. An impasse concerning the matters under negotiation shall be declared automatically if full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by July 30, 2018, unless the parties mutually agree to continue negotiations.

ARTICLE 6 DISCRIMINATION

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, age, national origin, political or religious opinions or affiliations, or handicapped status.

ARTICLE 7 SPECIAL PAY PRACTICESSection 1. Call Back

Whenever an employee is unexpectedly ordered by his/her Department head or designated Management representative to return to work following the termination of his/her normal work shift or normal workweek and departure from his/her work location, the employee shall receive a minimum payment of four hours' pay at the rate of time and one-half. Work performed in excess of four hours will be compensated for in accordance with provisions of Article 10, Overtime.

If an employee shall complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 2. Extra Trip Mileage

A mileage permittee may be paid "extra trip mileage," as defined in Section 5.40.230 of the Los Angeles County Code, provided he/she is required to make field calls in the performance of "extra trip mileage" duties.

In "extra trip" instances, mileage will be allowed from home to all points of contact and return home.

No reimbursement is allowable to any employee, regardless of circumstances, between home and headquarters and return home.

Section 3. Hazard Pay

Management agrees to pay to \$.50 per hour for those classes in this Unit presently receiving hazard pay.

Such hazard pay shall be limited to those CAPE classes currently receiving hazard pay under the terms and conditions of the Los Angeles County Code.

Section 4. Supervisor-Subordinate Pay

The Chief Executive Officer shall authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his/her highest paid subordinate when the qualifying conditions are met as provided in Section 6.10.070 of the Los Angeles County Code.

Section 5. Shift Differential

Any employee in the Unit who is assigned to a regularly scheduled evening or night shift as defined in Section 6.10.020 of the Los Angeles County Code shall receive a per hour bonus of sixty cents (\$.60) for each hour worked during said shifts.

Section 6. Standby Pay

All employees in the Unit who are assigned regularly scheduled periods of authorized standby service during off-duty hours shall be paid additional compensation at the rate of fifty cents (\$.50) per hour for each hour of such standby service not to exceed one hundred dollars (\$100.00) a month. Employees residing at their work site are excluded from this provision.

No additional compensation for standby status shall be made since the employee placed on standby status is not "unreasonably restricted" as defined by the Fair Labor Standards Act.

Section 7. Assignment of Additional Responsibilities

Upon the employee's written request, any permanent, full-time employee shall be entitled to additional compensation for the performance of additional responsibilities which are assigned and approved by the Department Head or designated management representative and the Chief Executive Office.

The Department shall notify an employee in writing of the approval or denial of his/her written request within 45 business days of receipt of the request for the additional responsibilities bonus.

If the employee is placed in an assignment requiring the performance of additional responsibilities prior to the Department obtaining CEO approval, upon his/her request he/she shall be returned to an assignment in his/her own classification until notified of the CEO's approval in writing. To qualify for this additional compensation a full-time permanent employee must either:

1. Be assigned to a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically allocated to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class would not qualify for this additional compensation. The bonus for being assigned a special project or assignment shall be two standard salary schedules; or
2. Perform all the significant duties of a higher level class for which there is no vacant funded position. The bonus shall be two standard salary schedules, unless the difference between the employee's class and the higher level class is less than two standard salary schedules. In this case, the bonus shall be the difference between the two classes.

The bonus provision of paragraph 2 above does not apply to employees on short term higher level assignments of two weeks or less.

The additional compensation shall begin on the first day the additional responsibilities are assigned by management and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus. In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 23, Out-Of-Class Assignments for the same assignment.

The additional compensation provided in the Section shall not constitute a base rate.

Section 8. American Institute of Certified Planners (AICP) Certification

Effective December 1, 2007, the parties agree that employees in the classifications listed below, employed in a full-time, permanent position, and meet the following conditions shall receive a monthly bonus of eleven (11) levels (approximately 2.75%):

Section 2. Step Advances

- A. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.
- B. If no performance review is filed as defined in a. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

Where no Performance Evaluation is issued in accordance with Paragraph a. above, the employee may request his/her department in writing to issue a Performance Evaluation. The department head shall issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his/her step advance anniversary date.

C. Grievances arising out of this section shall be processed as follows:

- (1) Where no Performance Evaluation has been issued in accordance with Paragraph b. above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his/her step anniversary date.
- (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his/her step advance anniversary date.

- (3) Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the department head or his/her designated representative who shall respond to the grievance within ten days. Appeals from a department head decision shall be processed in accordance with Civil Service Rules.
- D. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section. In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluation.

Section 3.

The parties having jointly reviewed and considered all available salary and wage information and data, agree that the recommended salaries set forth herein were negotiated in good faith and that said salaries were determined independently of race, gender, age or national origin.

ARTICLE 9 EMPLOYEE PAYCHECK ERRORSA. Underpayments

1. If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's paycheck, a paycheck correction may be requested. Such request must be made to the appointing authority within two business days after receipt of the warrant. Otherwise, the correction shall be made in the next regularly issued warrant.
2. Departmental Payroll Sections shall process such requested corrections to the Auditor-Controller within five (5) working days.
3. The Auditor-Controller will issue a corrected or supplemental warrant within three working days after receiving the request from the appointing authority.
4. Changes in salary resulting from step advances or changes in status are excluded from amounts which constitute paycheck errors for purposes of this Article.

B. Overpayments

1. Employees will be notified prior to the recovery of overpayments.

2. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller.

Such recovery shall not exceed 15% per month of disposable income (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

ARTICLE 10 OVERTIMESection 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

A. Non-Exempt Employees

The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. §201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

B. An employee except for employees in Department of Health Services, may elect to accrue up to 30 hours of FLSA overtime worked to be used as compensatory time off in lieu of pay, at the rate of one and one-half (1 ½) hours for each hour of overtime worked.

An employee who wants to use his/her accumulated compensatory time must submit a written request ten working days in advance of the dates for which time off is desired. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management.

Management may direct an employee to use/his/her accumulated compensatory time provided the employee is given thirty calendar days' notice.

Employees may not accrue overtime hours which are worked during a Board of Supervisors, State, or Federally declared emergency and/or disaster periods, unless management approves the accrual of such overtime hours.

Section 2. Usage of Previously Earned Compensatory Time - Non-Exempt Employees

- A. Non-exempt employees, as defined by the Fair Labor Standards Act, who retain compensatory time off on the books earned prior to April 15, 1985 shall use such time until exhausted except that the employee shall not be directed by management to take compensatory time off without at least ten (10) business days prior notice or be denied a timely request to take such time off.

- B. Any compensatory time accumulated by employees prior to April 15, 1985 shall remain to the employees' credit until 12 months after the effective date of this Article or until it is taken off either at the employee's request or at the direction of management as provided in Paragraph "A" of this section, whichever is earlier. Time subject to be lost after the twelfth month following the effective date of this article will be paid to the employee at the straight time rate rather than lost.

Section 3. Work Week

For the purpose of computing overtime the work week for employees in this Unit is 40 hours of work in a seven consecutive day period as defined by management. For purposes of this article work week is distinguished from work schedules.

Section 4. Saving Clause

ARTICLE 1 RECOGNITION

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, CAPE was certified on December 10, 1969, by County's Employee Relations Commission (Employee Relations Commission File No. R-29-69) as the majority representative of County employees in the Professional Engineers Employee Representation Unit (hereinafter the "Unit") previously found to be appropriate by said Employee Relations Commission. Management hereby recognizes CAPE as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in the classifications identified in Article 8 of this Memorandum of Understanding.

The County agrees not to meet and confer with another employee organization with the intent of reaching an agreement to modify any understanding included in the negotiated agreement between CAPE and the County.

ARTICLE 2 EXCLUSIVITY

Management agrees to recognize CAPE as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and CAPE has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code required to implement the full provisions of Articles; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 TERM

The provisions of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as defined in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2015. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2018.

ARTICLE 5 RENEGOTIATION

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from May 15, 2018, through May 30, 2018, its written request to commence negotiations, as well as its full and entire written proposals for such successor Memorandum of Understanding. Upon receipt of such written notice and proposals, negotiations shall begin no later than June 15, 2018. An impasse concerning the matters under negotiation shall be declared automatically if full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by August 15, 2018, unless the parties mutually agree to continue negotiations.

ARTICLE 6 DISCRIMINATION

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, age, national origin, political or religious opinions or affiliations, or handicapped status.

ARTICLE 7 SPECIAL PAY PRACTICESSection 1. Call Back

Whenever an employee is unexpectedly ordered by his/her Department head or designated Management representative to return to work following the termination of his/her normal work shift or normal workweek and departure from his/her work location, the employee shall receive a minimum payment of four hours' pay at the rate of time and one-half. Work performed in excess of four hours will be compensated for in accordance with provisions of Article 10, Overtime.

If an employee shall complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 2. Extra Trip Mileage

A mileage permittee may be paid "extra trip mileage," as defined in Section 5.40.230 of the Los Angeles County Code, provided he/she is required to make field calls in the performance of "extra trip mileage" duties.

In "extra trip" instances, mileage will be allowed from home to all points of contact and return home.

No reimbursement is allowable to any employee, regardless of circumstances, between home and headquarters and return home.

Section 3. Hazard Pay

Management agrees to pay to \$.50 per hour for those classes in this Unit presently receiving hazard pay.

Such hazard pay shall be limited to those CAPE classes currently receiving hazard pay under the terms and conditions of the Los Angeles County Code.

Section 4. Supervisor-Subordinate Pay

The Chief Executive Office shall authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his/her highest paid subordinate when the qualifying conditions are met as provided in Section 6.10.070 of the Los Angeles County Code.

Section 5. Shift Differential

Any employee in the Unit who is assigned to a regularly scheduled evening or night shift as defined in Section 6.10.020 of the Los Angeles County Code shall receive a per hour bonus of sixty cents (\$.60) for each hour worked during said shifts.

Section 6. Standby Pay

All employees in the Unit who are assigned regularly scheduled periods of authorized standby service during off-duty hours shall be paid additional compensation at the rate of fifty cents (\$.50) per hour for each hour of such standby service not to exceed one hundred dollars (\$100.00) a month. Employees residing at their work site are excluded from this provision.

No additional compensation for standby status shall be made since the employee placed on standby status is not "unreasonably restricted" as defined by the Fair Labor Standards Act.

Section 7. Assignment of Additional Responsibilities

Upon the employee's written request, any permanent, full-time employee shall be entitled to additional compensation for the performance of additional responsibilities which are assigned and approved by the Department Head or designated management representative and the Chief Executive Office.

The Department shall notify an employee in writing of the approval or denial of

his/her written request within 45 business days of receipt of the request for the additional responsibilities bonus.

If the employee is placed in an assignment requiring the performance of additional responsibilities prior to the Department obtaining CEO approval, upon his/her request he/she shall be returned to an assignment in his/her own classification until notified of the CEO's approval in writing. To qualify for this additional compensation a full-time permanent employee must either:

1. Be assigned to a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically allocated to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class would not qualify for this additional compensation. The bonus for being assigned a special project or assignment shall be two standard salary schedules; or
2. Perform all the significant duties of a higher level class for which there is no vacant funded position. The bonus shall be two standard salary schedules, unless the difference between the employee's class and the higher level class is less than two standard salary schedules. In this case, the bonus shall be the difference between the two classes.

The bonus provision of paragraph 2 above does not apply to employees on short term higher level assignments of two weeks or less.

The additional compensation shall begin on the first day the additional responsibilities are assigned by management and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus.

In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 23, Out-of-Class Assignments for the same assignment. The additional compensation provided in this Section shall not constitute a base rate.

Section 8. American Institute of Certified Planners (AICP) Certification

Effective December 1, 2007, the parties agree that employees in the classifications listed below, employed in a full-time, permanent position, and meet the following conditions shall receive a monthly bonus of eleven (11) levels (approximately 2.75%):

- Proof of active American Institute of Certified Planners (AICP) Certification.
- The Employee's last Performance Evaluation just be "Competent" or higher.
- New hires shall receive the bonus as long as they maintain a competent level of performance.

- New Hires must not be on an improvement plan as part of an overall Improvement Needed Performance Evaluation.

The department head shall issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his/her step advance anniversary date.

- c. Grievances arising out of this section shall be processed as follows:
 - (1) Where no Performance Evaluation has been issued in accordance with Paragraph b. above, the employee may file a grievance with the

Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his/her step anniversary date.

- (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his/her step advance anniversary date.

Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluation.

Section 3.

Such request must be made to the appointing authority within two business days after receipt of the warrant. Otherwise, the correction shall be made in the next regularly issued warrant.
2. Departmental Payroll Sections shall process such requested corrections to the Auditor-Controller within five (5) working days.
3. The Auditor-Controller will issue a corrected or supplemental warrant within three working days after receiving the request from the appointing authority.
4. Changes in salary resulting from step advances or changes in status are excluded from amounts which constitute paycheck errors for purposes of this Article.

B. Overpayments

1. Employees will be notified prior to the recovery of overpayments.

2. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller.

Such recovery shall not exceed 15% per month of disposable income (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

ARTICLE 10 OVERTIMESection 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

A. Non-Exempt Employees

The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. §201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

- B. An employee except for employees in Department of Health Services, may elect to accrue up to 30 hours of FLSA overtime worked to be used as compensatory time off in lieu of pay, at the rate of one and one-half (1 ½) hours for each hour of overtime worked.

An employee who wants to use his/her accumulated compensatory time must submit a written request ten working days in advance of the dates for which time off is desired. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management.

Management may direct an employee to use his/her accumulated compensatory time provided the employee is given thirty calendar days notice.

Employees may not accrue overtime hours which are worked during a Board of Supervisors, State, or Federally declared emergency and/or disaster periods, unless management approves the accrual of such overtime hours.

Section 2. Usage of Previously Earned Compensatory Time - Non-Exempt Employees

- A. Non-exempt employees, as defined by the Fair Labor Standards Act, who retain compensatory time off on the books earned prior to April 15, 1985 shall use such time until exhausted except that the employee shall not be directed by management to take compensatory time off without at least ten (10) business days prior notice or be denied a timely request to take such time off.

- B. Any compensatory time accumulated by employees prior to April 15, 1985 shall remain to the employees' credit until 12 months after the effective date of this Article or until it is taken off either at the employee's request or at the direction of management as provided in Paragraph "A" of this section, whichever is earlier. Time subject to be lost after the twelfth month following the effective date of this article will be paid to the employee at the straight time rate rather than lost.

Section 3. Work Week

For the purpose of computing overtime the work week for employees in this Unit is 40 hours of work in a seven consecutive day period as defined by management. For purposes of this article work week is distinguished from work schedules.

Section 4. Saving Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 5. Management Authority

It is agreed and understood that nothing herein is intended to limit or restrict the authority of Management to require any employee to perform overtime work, and it is further agreed that overtime will be ordered and worked only when required to meet the County's public service obligations.

Section 6.

Notwithstanding any other provisions of this Memorandum of Understanding:

A. Between October 1, 1993 and June 30, 1994, only all overtime shall be compensated with compensatory time off (CTO) as provided for in subparagraphs (1) - (4) below.

- (1) To the extent such time would have qualified for time and one-half pay under other provisions of this MOU (including time and one-half pay at the employee's option), such time shall be compensated with time and one-half CTO, subject only to the maximum accumulation of 240 hours or 480 hours for employees working an emergency response activity or a seasonal activity as defined by Fair Labor Standards Act regulations.
- (2) To the extent such time would have qualified for straight time pay under other provisions of this MOU, such time shall be compensated with straight time CTO.
- (3) Such CTO either (a) may be taken off at the request of an employee subject to Management approval or (b) shall be maintained "on the books".
- (4) Nothing in this paragraph is intended to alter the definition of "overtime" as set forth elsewhere in this MOU or the circumstances under which overtime compensation must be paid.

- B. All overtime worked on or after July 1, 1994, shall be subject to the overtime provisions in effect on September 30, 1993.
- C. On or after August 1, 1995, at the employee's option, time "on the books" may continue to be taken as time off, subject to Management approval, or may be converted to pay. An employee electing payment for any portion of his or her CTO accrual balance may submit a request and, within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.
- D. CTO accrued between October 1, 1993 and June 30, 1994 shall be taken off only at the request of the employee. For any CTO accrued during other periods, nothing in this Section shall be construed to limit Management's authority to direct any employee to take accumulated CTO as provided elsewhere in this MOU.
- E. From July 1, 1994 through June 30, 1995, the Board of Supervisors may pay for CTO accrued between October 1, 1993 and June 30, 1994 at the rate of pay then in effect for the employee.

Section 7.

1. Notwithstanding any other provision of the MOU for overtime worked by an employee during the fire emergencies declared by the Board of Supervisors in October and November 1993, and the Northridge Earthquake Emergency declared by the Board of Supervisors in January 1994 (the "Emergencies"), an

employee subject to the MOU, shall receive overtime compensation as follows for overtime worked determined by the employee's department head to be due to an Emergency.

- A. To the extent that such time would have qualified for time and one-half compensatory time off (CTO) under the provisions of the MOU, such overtime shall be paid at the rate of time and one-half, unless the employee opts to receive time and one-half CTO.
- B. To the extent that such time would have qualified for straight time CTO under the provisions of the MOU, such overtime shall be paid at the straight time rate of pay, unless the employee opts to receive straight time CTO.
- C. In the event an employee opts to receive CTO, at the employee's option, such CTO time may be used or converted to pay in accordance with the provisions of Section 9A.(3) and 9C. of this Article.
- D. Nothing in this Section is intended to alter the definition of "overtime" as set forth elsewhere in the MOU, or the circumstances under which overtime compensation must be paid.

- E. At the time the employee is asked to work the overtime, the employee shall be told by Management whether the overtime to be worked is related to an Emergency.
- 2. For purposes of this Section, the October and November 1993 fire emergencies began on October 26, 1993, and continued through November 30, 1993, and the Northridge earthquake emergency began on January 17, 1994, and will end June 30, 1994.
- 3. It is the specific agreement of the parties that each and every other provision of this Memorandum of Understanding shall remain in full force and effect.

The employee shall acknowledge that he/she has read such material by affixing his signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

ARTICLE 19 GRIEVANCE GENERAL-IN- CHARACTER

In order to provide an effective mechanism whereby disagreements between CAPE and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Within ten (10) business days from the occurrence of the matter, or within ten (10) business days from its knowledge of such an occurrence, where either CAPE or Management has reason to believe that the other is not correctly interpreting or applying any of the provisions of this MOU, such party may request in writing that a meeting be held with the authorized representatives of the other party who have authority to make effective recommendations for the resolution of the matter. Such written request shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought. Within ten (10) business days of receipt of the request for such a meeting the parties will meet for the purpose of discussing and attempting to resolve the disagreement.
- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, the initiating party shall have the right to meet with the principal representative(s) of the other party who have authority to resolve the matter. For purposes of this provision, Management's principal representative

shall mean its Chief Executive Officer or his authorized representative, and any other County department head or his authorized representative, who has authority to resolve this matter.
